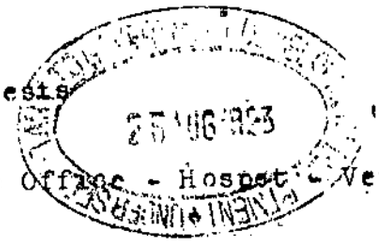
Draft sent for issue 5/9

H. Tireman Esq.,
Ag. Chief Conservator of Forests.



Subject:- Transfer - Old Range Office - Hospet - Veterinary Department.

Letter from the District Forest Officer, Bellary, Ref.C. 135/23-C-7 dated 18-7-23:--

I beg to report that the Collector asked me on 12-6-23 to hand over the building to the Veterinary Department for locating the Veterinary Hospital and it was accordingly handed over to the Veterinary Assistant on 27-6-23 by the Range Officer, Bellary.

2. The Collector informs me that the transfer is likely to be permanent and that the control of the Veterinary Dispensary at Hospet is vested in Government and that the Government were informed about the transfer in his report D.Dis.No. 7148/22, dated 2-3-23. It is also reported that the Deputy Superintendent, Civil Veterinary Department, Bellary, was granted permission to occupy the building in Government Endt. No.927/111/23-1 dated 6-4-23. I request that necessary formal orders for the transfer of the building may be issued and I may be informed if any rent has to be collected. The building is of no use to this department, and it is better if it is permanently transferred.

Reference

Submitted to Government with the request that Government will be pleased to sanction the transfer of the building permanently to the Veterinary Department.

2. I consider that no rent need be collected from the Veterinary Department, as the building is to be permanently transferred.
